1. We have audited the accompanying 'Statement of Standalone Financial Results' for the year ended March 31, 2017 of **Ducon Infratechnologies Limited ("the Company")** (hereinafter referred to as "**the Statement**") attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

This Statement, which is the responsibility of Company's management and approved by the Board of Directors, has been compiled from the related Standalone Financial Statements which has been prepared in accordance with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. 2. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to error or fraud. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
