Auditor's Report on Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To
Board of Directors of
Ducon Infratechnologies Limited

1. We have audited the quarterly financial results of **Ducon Infratechnologies Limited** ("the Company") for the quarter ended March 31, 2019 and the year to date results for the period ended April 1, 2018 to March 31, 2019, attached herewith, being submitted by the company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These quarterly financial results as well as the year to date financial results are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these financial results based on our audit of the financial results which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. **Emphasis of Matters**

The Company has made investments in equity shares of a private limited company aggregating to Rs. 500.00 lakhs as on March 31, 2019 reported under Investments in Non-Current Assets. The investments are to be measured at fair value in the statement of financial position as per requirements of Indian Accounting Standard 109. However, the management is of the opinion that since the audited financials of the private limited company is not finalised as on the date of audit and also keeping in view their long term business synergy and potential, it has been decided to value such investments at cost as on the year ended March 31, 2019.
4. In our opinion and to the best of our information and according to the explanations given to us, these quarterly financial results as well as year to date results:
 - a) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 in this regard; and
 - b) gives a true and fair view of the net profit and other financial information for the quarter ended March 31, 2019 as well as year to date results for the period from April 1, 2018 to March 31, 2019.
5. Further, we report that the figures for the quarter ended March 31, 2019 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2019 and the published year-to-date figures up to December 31, 2018, being the date of the end of the third quarter of the current financial year, which were subject to limited review, as required under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
