8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.**How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to csshutishah@gmail.com with a copy marked to evoting@nsdl.com Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on: 022 - 4886 7000 or send a request to Ms. Pallavi Matre, Senior Manager, at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to cs@duconinfra.co.in.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to cs@duconinfra.co.in. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
3. Alternatively shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.

3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for Access to NSDL e-Voting system. After successful login, you can see link of "VC/OAVM" placed under "Join meeting" menu against company name. You are requested to click on VC/OAVM link placed under Join Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. Shareholders who would like to express their views/have questions may send their questions in advance mentioning their name demat account number/folio number, email id, mobile number at cs@duconinfra.co.in. The same will be replied by the company suitably.
6. Shareholders who would like to express their views/would like to register as speaker/have questions may register/send their questions before 20th September, 2024 mentioning their name, demat account number/folio number, email id, mobile number at cs@duconinfra.co.in. The same will be replied by the company suitably.

EXPLANATORY STATEMENT

The following Explanatory Statement, as required under Section 102 of the Companies Act, 2013, set out all material facts relating to the business under Item No. 3 of the accompanying Notice dated 24th August, 2024.

Item No. 3 Alteration of Object Clause in the Memorandum of Association of the Company:

Considering the present scenario and for smooth functioning and expansion of the Company, new business objects need to be included apart from the existing business objects. Considering the future business plans, one new object is added to existing Memorandum of Association of the Company under the other object clause III (C).

Currently, the Company is engaged into the business of Information Technology Infrastructure and Air Pollution control system.

In order to make the other object clause of the Memorandum of Association comprehensive and concise, it is proposed to insert the new object clause no. 70 in the Memorandum of Association, after the existing other Object clause III (C) no. 69, as stated in the resolution.

As per the provisions of Section 4 and 13 of the Companies Act, 2013, any amendment to the Object Clause of the MOA requires approval of the shareholders by passing Special resolution. Hence the Board recommends passing of the resolution as set out in the Item No. 3 of this Notice as Special Resolution.

A copy of Memorandum of Association of the Company as on date and also indicating the proposed amendments is available for inspection at the Registered Office of the Company during normal business hours on working days.

None of the Directors, Key Managerial Personnel and the relatives of the Directors are directly concerned or interested or otherwise, in the resolution set out at item no. 3.

DIRECTORS' REPORT

Your Directors are pleased to present the **Fifteenth (15TH)** Annual Report on the business and operations of your Company for the period ended March 31, 2024.

1. Financial Highlights:

(₹ In lakhs)

Particulars	Year ended 31/03/2024	Year ended 31/03/2023
Gross Income	31561.76	31242.75
Profit Before Interest and Depreciation	1687.48	1525.96
Finance Charges	995.50	988.69
Profit before Depreciation	691.98	537.27
Provision for Depreciation	9.31	6.25
Net Profit Before Tax	682.67	531.03
Provision for Tax	178.48	143.03
Net Profit After Tax	504.19	387.99
Other Comprehensive Income	-	(0.64)
Total Comprehensive Income after Tax	504.19	387.35
Balance of Profit brought forward	2457.87	2070.51
Income Tax Earlier Year	-	-
Balance available for appropriation	3014.29	3469.39

2. Management Analysis and Discussions:

The total income of standalone for the financial year under review was Rs. 31561.76 Lacs as against Rs. 31242.75 Lacs during the previous year. There is growth of 10.58% in the Operating Profit (earnings before depreciation and interest and tax) too, which is Rs. 1687.48 Lacs for the current year as against Rs. 1525.96 Lacs in the previous year. The profit before tax stood at Rs. 682.67 Lacs as compared to Rs. 531.03 Lacs in the previous year. The Company has made a provision of tax totaling to Rs. 178.48 Lacs and the profit after tax stood at Rs. 504.19 Lacs for the current year as against Rs. 387.99 Lacs in the previous year.

The total income on consolidated basis for the financial year under review was Rs. 41951.18 Lacs as against Rs. 39613.58 Lacs during the previous year. The Operating Profit (earnings before depreciation and interest and tax) has increased by 31.46% to Rs. 2197.51 Lacs as against Rs. 1671.66 Lacs in the previous year. The Consolidated profit before tax stood at Rs. 1078.73 Lacs as compared to Rs. 564.51 Lacs in the previous year. The Company has made a provision of tax totaling to Rs. 316.11 Lacs and the consolidated profit after tax stood at Rs. 762.62 Lacs for the current year as against Rs. 409.84 Lacs in the previous year.

Overall your Company recorded growth both in terms of revenue and profit. Your Company continues with its rigorous cost restructuring exercises and operating efficiency improvements which have resulted in significant savings in Other Expenses in the current year. The company has booked one more FGD order during this period. The company continues to bid many projects both in FGD & Bulk material handling systems and hopes to book some more projects in the immediate future.

ENGINEERING, PROCUREMENT AND CONSTRUCTION – EPC

AIR POLLUTION CONTROL SYSTEMS – FGD

Flue-gas desulfurization (FGD) is a set of technologies used to remove sulfur dioxide (SO₂) from exhaust flue gases of fossil-fuel power plants, and from the emissions of other sulfur oxide emitting processes. This process is carried out during combustion in fossil fuel power plants such as coal and oil fired combustion units. When coal or oil is burned to produce energy, about 95 percent or more of the sulfur is generally converted to sulfur dioxide (SO₂) under standard temperature conditions.

The Technology

FGD can be characterized into wet & spray dry scrubbing, wet sulfuric acid process, SNOX flue gas desulfurization and dry sorbent injection system based on methods of desulfurization. Most FGD systems employ two stages: one for fly ash removal and the other for SO₂ removal. In wet scrubbing systems, the flue gas normally passes first through a fly ash removal device, either an electrostatic precipitator or a baghouse, and then into the SO₂-absorber. However, in dry injection or spray drying operations, the SO₂ is first

reacted with the lime, and then the flue gas passes through a particulate control device. Another important design consideration associated with wet FGD systems is that the flue gas exiting the absorber is saturated with water and still contains some SO₂. These gases are highly corrosive to any downstream equipment such as fans, ducts, and stacks. Two methods that may minimize corrosion are: (1) reheating the gases to above their dew point, or (2) using materials of construction and designs that allow equipment to withstand the corrosive conditions. Both alternatives are expensive. Engineers determine which method to use on a site-by-site basis. Wet FGD systems are widely used in comparison to dry FGD and are expected to maintain dominance over the forecast period owing to high efficiency and low maintenance.

Applications

Application segments of flue gas desulfurization market include new FGD systems and reagents & replacements. Increasing electricity demand in emerging economies such as China and India owing to rapid industrialization and urbanization is expected to increase the number of coal-fired power plants. The development of FGD systems is fueled by strict environmental rules and emissions standards that are in place to reduce air pollution and safeguard human health. These devices help regulate particulate matter and other pollutants in addition to helping reduce sulfur dioxide emissions. Additionally, the market is impacted by the worldwide trend toward greener energy sources, such as renewables and natural gas, which calls for effective emission control systems in fossil fuel-based power plants now in operation. The demand for reagents & replacements was primarily for repair of parts such as pump impellers, nozzles, valves and filter belts among others in established FGD systems. The increasing use of reagents such as limestone, dibasic acid, and sodium hydroxide is further expected to boost the growth of reagents & replacements application segment in the market. Increasing demand for FGD systems from chemicals, power generation, cement manufacturing, iron & steel, and many other industries is also expected to fuel the FGD market, globally

Geography

Flue gas desulfurization market has witnessed a significant growth in recent years due to stringent government policies relating to emissions of harmful gases in the environment. The global Flue Gas Desulfurization FGD Market size was valued at USD 23.05 Billion in 2023 and is projected to reach USD 34.43 Billion by 2030, growing at a CAGR of 5.8% during the forecasted period 2024 to 2030.

Regionally, Asia-Pacific is expected to exhibit the fastest growth in the global flue gas desulphurization market during the forecast period, on the back of the increasing demand for FGD systems from the growing industrial sectors such as cement and metal smelting in countries like China and India. Moreover, alarming pollution levels and stringent laws introduced by the governments to curb pollution in the region are also anticipated to aid the Asia-Pacific FGD market growth in coming years.

Key Players

Some of the major companies in global flue gas desulfurization market include General Electric, Babcock & Wilcox, Siemens Energy, Ducon Technologies Inc., Hamon Research-Cottrell, Mitsubishi Heavy Industries, Andritz and Marsulex Environmental Technologies.

FGD in India

India satisfies most of her power requirement through thermal power. The share of coal-fired power generation has risen to 75% in FY2023-24 from 71% in FY2019-20. According to the data on NITI Aayog's energy dashboard, India's coal-fired thermal capacity grew to 218 GW in FY24 from 205 GW in FY20, a 6% growth. There has been a push for investments in new thermal power projects, including from the private sector, with a target of adding 80 GW of new thermal power capacity by 2032.

INDIA'S POWER MIX				
Power Source	Share in Power Generation		Capacity Utilisation	
	FY 20	FY 24	FY 20	FY 24
Coal-fired	71%	75%	53%	68%
Solar	4%	7%	17%	16%
Wind	5%	5%	20%	21%
Hydro	12%	8%	39%	33%
Others	8%	5%	-	-

The government has focused on reduction of emissions from coal-based thermal power plants in accordance with the Intended Nationally Determined Contributions (INDCs) submitted to the United Nations Framework Convention on Climate Change (UNFCCC) that has committed to curb emission intensity of its economy by 30-35 per cent from the 2005 level by 2030. Accordingly, the Ministry of Environment, Forest and Climate Change (MoEFCC), has issued notification no: S.O.3305(E) titled 'Environmental (Protection) Amendment rules, 2015 dated 7.12.2015 with the objective of reducing emissions of suspended particulate matter (SPM), SO_x, NO_x and mercury at thermal power plants (TPPs). With the MoEFCC order, it has become compulsory to install Flue Gas Desulphurisation (FGD) system in the existing and upcoming thermal power plants to curb SO_x emissions.

The implementation of the emission norms, requiring the installation of FGD technology, got delayed due to various techno-economic constraints faced by thermal power plants and further affected by the impact of Covid -19 pandemic. India has 2,07,045 MW of coal and lignite-fired power plants, of which only 22 units with a total capacity of 9,280 MW – less than 5 per cent – have been fitted with FGD.

In July 2022, the Centre for Atmospheric Science, IIT Delhi, recommended a “phased implementation” of FGDs across the country, the fifth phase ending in July 2034. The Ministry of Environment, Forest and Climate Change (MoEFCC), issued Notification No: G.S.R. 682 (E) titled 'Environmental (Protection) Second Amendment Rules, 2022 dated 5th September 2022 which categorised the Thermal Power Plants into Three groups based on the Location /Area and fixed timelines for compliance for SO₂ emission as Dec 2024, Dec 2025 and Dec 2026 respectively. The non-complying units have to be retired. Until then the Non-compliant units have to pay Environmental Compensation ranging from 0.20 paise to 0.40 paise per unit.

The above Notification has left the power industry no other option but to go for Air Pollution Control Systems (FGD), which is the core technology of Ducon.

Ducon and FGD

Globally, Ducon has been one of the leading supplier of FGD systems.. Ducon FGD systems can achieve over 99% sulfur dioxide removal efficiency. Ducon Flue Gas Desulfurization systems can also recover up to 90% of oxidized mercury in the flue gas. Ducon caters to the industry with its multiple FGD technologies like Wet Lime, Sea Water, Dry etc.

Depending upon the reagent utilized, Ducon can select a packed tower, a spray tower or a Ventri-Rod Absorber (VRA™) (a proprietary Environengineering unit) for the wet FGD application. For Dry Flue Gas Desulfurization systems, Ducon uses its proprietary two-fluid nozzle DRX-25 to atomize feed slurry in the spray reactor. Ducon can also provide a Circulating Reactor Dry FGD System suitable for applications of upto 3% sulfur coal and by utilizing dry lime, it can provide upto 97% SO₂ removal efficiency. Ducon provides either bag house filter or Electrostatic Precipitator for duct collection downstream. Ducon works with reputable vendors to provide Gas-to-Gas heat exchangers, fans, controls, and reagent handling & feeding systems.

DUCON, being pioneers of FGD in India, is better placed than anybody else to grab the opportunities in the current scenario. With the stringent environmental norms notified by the MoEF, the industry is witnessing massive influx of FGD tenders. DUCON has the strategy to capitalize on the maximum FGD project opportunities by either sole bidding on smaller and medium sized projects or joint bidding with other reputed EPC company on large FGD projects.

Ducon has the capability to provide a complete global turnkey installations including effluent treatment systems.

Milestone Projects

With many firsts in its stride, Ducon is rightly regarded as the pioneers of FGD in India.

- a. Ducon has installed India's first Sea water FGD system with 100% of flue gas, for 2 X 250 MW Dahanu Thermal Power Station for Reliance Energy Ltd. This unit consistently ranks among the cleanest as well as the most reliable power generating station in India. This project also disproved the notion that energy production and environmental protection are mutually exclusive.
- b. Ducon is also credited with providing India's first Wet limestone FGD system on coal fired power plant with production of saleable Gypsum for 2 x 600 MW Udupi Thermal Power Station, Karnataka.
- c. India's first ever Dual Alkali Scrubber for Sterlite Copper, Toothukudi, Tamilnadu is provided by Ducon
- d. India's first ever FGD system for Glass Furnace at Saint Gobain Glass, Sriperumbudur, Tamil nadu is installed by Ducon.

DRY BULK MATERIAL HANDLING SYSTEM

The correct storage, extraction and the selection of suitable transportation systems is becoming increasingly important for power

plant owners. This is particularly of great significance wherever a high service life, few to no interruptions, high throughputs and the lowest possible power consumptions are in demand.

Ducon with its technology specializes in the Design, supply, installation of complete turnkey facilities for Bulk Material Handling and Pneumatic Conveying Systems. Ducon supplies systems to unload, store, reclaim, weigh and sometimes process materials of all kinds of Power, Cement, Steel, Alumina, Chemical and Petrochemical industries. Where there is a product to move, Ducon has the product to move it.

- Pneumatic Conveying Systems (Lean and Dense Phase)
- Mechanical conveying systems
- Discharge systems for Silos and Hoppers
- Process of Bulk materials (Crushing and Grinding)
- Big bag filling and discharge systems
- Transhipment systems (Rail Wagon and Tanker Loading and Unloading system)

Ash handling systems for Power Generation Industry

The industry's main applications are the removal of ash from boiler and filter systems. Course ash / Fly ash collected at Economizer / Air Pre Heater / Duct Hoppers / ESP hoppers is pneumatically conveyed to intermediate silos and to remote silos. Ducon has the capability and technology to design the most efficient dense phase conveying system with capacity as high as 300 TPH and conveying distance in excess of 1500m.

DU-PUMP system

Ducon offers pressure pneumatic conveying system for conveying of various powdery material like Cement, Clinker dust, Sand, Coal, Alumina, Bentonite, Fly ash etc. DU-PUMP systems can operate at higher air to solid ratios and it has many advantages like positive pressure system, low velocity, less erosion of pipes and bends.

DU-SLIDE conveyors

DU-SLIDE Conveyors are used to convey the material from one point to another via air. It is ideal for materials such as Fly Ash, Cement, Hydrated Lime, Alumina, Barites and Flour etc. The aeration of the material causes it to act like a fluid and gently slide along the gradual slope of the slide.

DU-SILO Fluidizer

Ducon provides material extraction systems for flat bottom and conical bottom silos for using reverse fluidized cones and open-top slide conveyors. The centre cone is fluidized constantly whereas the radial side conveyors on silo bottom are operated sequentially for systematic extraction of material from silo.

IoT-Enabled Monitoring and Predictive Maintenance

The integration of the Internet of Things (IoT) into dry bulk storage technology has ushered in a new era of monitoring and maintenance practices:

- **Sensor Networks:** Sensors scattered throughout storage structures continuously collect data on temperature, humidity, material levels, and structural integrity. This real-time information allows for the early detection of issues and proactive maintenance.
- **Remote Monitoring:** IoT-enabled systems enable operators to monitor storage facilities remotely, granting access to critical data and the ability to respond swiftly to changing conditions or emergencies.

Enhanced Material Flow Control

Efficient material flow is the lifeblood of production processes. Innovations in material flow control systems are boosting productivity and slashing the risk of blockages:

- **Vibratory system:** This device uses mechanical vibrations to prevent bulk materials from adhering to silo and container walls, guaranteeing a consistent flow.

- **Flow Aids and Liners:** Innovative liners and flow aids minimize friction and promote the flow of even the most challenging bulk materials, warding off material buildup and flow interruptions.
- **Discharge Gates and Valves:** Advanced gate and valve designs allow precise control of material discharge rates, reducing waste and increasing process efficiency.

Safety and Risk Mitigation

Safety is a paramount concern in material handling, and innovations in dry bulk storage technology are tackling risks and enhancing workplace safety:

- **Dust Control and Ventilation:** Enhanced dust control systems and improved ventilation technology curtail the risk of dust explosions and safeguard worker health.
- **Structural Health Monitoring:** Continuous monitoring of storage structure integrity identifies potential issues early, thwarting catastrophic failures and ensuring workplace safety.

Customization and Design Software

The demand for customized storage solutions is on the rise, and innovative design software facilitates tailor-made designs:

- **CAD and 3D Modelling:** Computer-aided design (CAD) software and 3D modelling tools empower engineers to craft precise and customized storage solutions that align with unique project requirements.
- **Simulation Software:** Simulation software aids in optimizing the layout and design of storage facilities, guaranteeing efficient material flow and minimal material degradation.

Conclusion

Innovations in dry bulk handling and storage technology are reshaping material handling across diverse industries. Advanced materials, IoT-enabled monitoring, sustainability-driven solutions, and automation collectively drive storage facilities' efficiency, safety, and environmental responsibility. As the demand for efficient and sustainable material handling continues to surge, these innovations will remain pivotal in the future of dry bulk storage technology. They ensure the seamless flow of materials while reducing operational costs for industries on a global scale.

As an EPC company, Ducon has executed multiple Dry Bulk Material Handling systems over the last One decade. Ducon is also credited with India's Largest Material Handling system in an Aluminium Smelter at Hindalco Industries Limited, Aditya Aluminium Unit, Lapanga, Orissa. Almost all the Alumina Refineries and Smelters in India have atleast one of the projects installed by Ducon. Major customers in this segment are Hindalco, Vedanta, Nalco, Balco, IOCL, SAIL and others.

RURAL AND URBAN ELECTRIFICATION PROJECTS

In December 2014, Ministry of Power launched the Deen Dayal Gram Jyoti Yojana (DDGJY) which subsumed RGGVY. The main object of the scheme was to ensure 100% rural electrification on targeted manner. It also involved improving sub-transmission and distribution infrastructure in rural areas.

In 2015, the Central Government launched the Integrated Power Distribution Scheme (IPDS) with the objective to provide 24/7 power for all. One of the flagship programmes of the Ministry of Power, IPDS aims at strengthening of sub-transmission network, and also the metering, IT application, Customer care services and the completion of the ongoing works of Restructured Accelerated Power Development and completion of the Reforms Program (RAPDRP).

The new Saubhagya Scheme (Pradhan Mantri Sahaj Bijli Har Ghar Yojana) seeks to ensure universal household electrification, that is, in both rural and urban areas. Under this scheme, the identified poor households will get free electricity connections.

Ducon has executed Rural Electrification under DDGJY scheme and Urban Electrification under IPDS scheme. This is the Third segment which Ducon has diversified into. The projects involve, Construction of new 33 / 11KVA sub-stations, Augmentation of 33/11KVA sub-stations, New 33 KV lines, New 11 KV lines, Metering, etc. Your company plans to expand the volume of this segment in future.

ANALYSIS

Strengths

Ducon is known for its engineering excellence. Over the years, your company has demonstrated superior engineering solutions due to which it has created a valuable brand name. The company is able to keep phase with the evolving needs of the industry with innovation and research. The strengths have enabled your Company to successfully articulate its various differentiated value propositions in the markets in which it operates. The inherent strength of your Company derives from its absolute belief in sound, sustainable business practices and an ability to continuously address the diverse needs of its customers. The strategic objective of the company is to build a sustainable organization that remains relevant to the agenda of the clients, while generating profitable growth for the investors. In order to do this, the company will apply the priorities of 'renew' and 'new' to our own business and cascade it to everything we do.

The Company provides the complete solutions in its EPC segments. The strength of your Company is its core technology FGD, for which it is known for and of course the EPC segment of Bulk Material Handling. With many successful installations in place, your company has the requisite expertise, dedicated group of talented Engineers and other professionals who drive its business and relationships with its business partners and manage its support functions. Having catered to the needs of the large corporates in India, your company has been receiving repeat orders over the years and expects it only to move upwards. The company expands existing client relationships by providing them with a broad set of end-to-end service offerings and increase the size, nature and number of projects they do with them. The strategy is to engage with these clients on regular basis.

Further, using the Lean strategies, your company has been able to identify the areas of improvements, re-design the workflows, and eliminate the unnecessary elements. The impact is seen in the operational efficiency and reflected in the financials of your company. We believe our strong brand, robust quality process and our access to skilled talent base at lower costs of providing services places to us in a unique position to take advantage of the opportunities available.

Quality

You company continues to strive towards operational and delivery excellences with a renewed focus on the path of business excellence. Customer Satisfaction and excellence in quality are key elements for succeeding in this competitive market. Your company has a full-fledged QA / QC department headed by an Engineering professional with the rank of Assistant General Manager. Pre-defined SOPs are followed in every stage of execution of projects. In order to be able to respond quickly to the customers, your Company continues with various internal initiatives to implement result oriented quality management models, compete effectively, improve organizational flexibility and efficiency, streamline internal processes across all its entities globally and institutionalize a culture of continuous improvement.

A strong emphasis is based on quality in every aspect of the company's activities. Several initiatives have been taken to implement result oriented quality management models. In line with this philosophy we have designed our quality management program and have defined several key parameters for measurement of quality levels to ensure improvement in the quality of the deliverables.

In order to be able to respond quickly to the customers, your Company continues with various internal initiatives to compete effectively, improve organizational flexibility and efficiency, streamline internal processes and institutionalize a culture of continuous improvement. The system comprises well defined organization structure, pre-identified authority levels and documented policy guidelines and manuals for delegation of authority.

Review of key business processes like business planning, reporting and communication has been done to make them more effective in meeting business objectives. Moving forward, your company shall continue to further strengthen its processes by adopting best-in-class standards.

Opportunities and threats

Opportunities:

Our diversification strategy continues to provide us with new growth opportunities. With our experience and expertise, we believe that we are strategically placed in our business segments. Similarly the management decision of having suitable business tie up will help us to capture maximum opportunities in the recently revived FGD segment. Looking towards the future, your Company will

remain focused on agility, innovation and operational excellence. Focusing on strategic verticals and geographies will also lead to an increase in the list of potential customer base.

Threats:

Competition is the main threat to most EPC companies, considering the aggressive pricing by the new entrants, changes in technology and markets. Changes in government policy or regulations / legislation etc also brings challenges and treats to the smooth functioning of the Company. As companies recognize the critical role of technology as an enabler to their business, the number of in-house technology centers of large enterprises as well as the number of new entrants in the market increases.

Since the EPC sector is exposed to high attrition rate due to more opportunities available in market for the employee, retaining existing talent pool and attracting new talented manpower is a major risk to the Company. The Company has initiated various measures to enhance the retention of employees during the year which includes, employee engagement surveys, transparent Performance Management System, ESOP etc to maintain employee-friendly culture in the organization.

Risks and Concerns

Important factors that could influence the Company's operations include change in government regulations, tax laws, increased competition, economic and political developments. The Company's objectives and expectations may be forward looking within the meaning of applicable laws and regulations. The competition from large international and Indian companies is increasing in the domestic market space. Actual results may differ materially from those expressed.

The productive life of resources is shrinking and the regulatory requirement in the areas of Air Pollution Control is tightening, thereby increasing the level of investment needed to meet the market requirements. These, while provide huge growth opportunities to your Company, also exposes it to increased competition. In the EPC industry, the ability to execute projects, build and maintain client partnerships and to achieve forecasted operating and financial results are significantly influenced by the organization's success in hiring, training and retaining highly skilled Engineering professionals. The market continues to be highly competitive for attracting and retaining Engineering professionals & this is compounded by the ever changing constraints around talent mobility primarily on account of regulatory requirements and also the evolving value propositions for a range of clients across geographies.

Internal control systems and their adequacy

The Company's well-defined organizational structure, documented policy guidelines, defined authority matrix and internal controls ensure efficiency of operations, compliance with internal policies and applicable laws and regulations as well as protection of resources.

Your Company has an effective internal control and risk mitigation system, which are constantly assessed and strengthened with new/revised standards operating procedures. The Company has the robust Management Information System, which is an integral part of the control mechanism. The Company has a well-defined delegation of power with authority limits for approving revenue as well as expenditure and processing payments. The Company's internal control system is commensurate with its size, scale and complexities of its operations. The Company has made the employees responsible for establishing expectations and seeking feedback at every role that is assigned. The employees have been enabled to influence their network of peers to co-own goals. This has helped enable cross functional collaboration and interlock. Employees can give and receive help on their goals by making them public and also express their likelihood of reaching their goals. The company has put in place adequate systems of internal control commensurate with its size and the nature of its business. These systems provide a reasonable assurance in respect of financial and operational information, compliance with both applicable statutes, & corporate policies and safeguarding of the assets of the company.

Ducon Infratechnologies Limited has the Audit Committee, the details of which have been provided in the corporate governance report. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and suggest improvements to strengthen the same.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2024

To,
The Members,
DUCON INFRA TECHNOLOGIES LIMITED
CIN: L72900MH2009PLC191412
Ducon House, Plot No. A/4,
Road No. 1, MIDC,
Wagle Industrial Estate,
Thane-400604.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DUCON INFRA TECHNOLOGIES LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information and representation pertaining to compliance provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024 generally complied with the statutory provisions listed hereunder and based on the management representation, that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes book, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; wherever applicable
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')

 - Clarification sought by NSE with regards to mis-match in details of pledge holding of the Promoter provided by depositories

And the listed entity & management has taken appropriate decision, provided resolution and submitted necessary information, documents before the concerned Stock Exchanges within the stipulated timeframe in relation to the aforesaid clarifications.

The Company has an unspent amount of CSR as per the provisions of Companies Act, 2013 for the financial year 2023-2024 Rs. 4.71/- lacs. However, the time period for such transfer i.e. six months of the expiry of the financial year as permitted under the second proviso to sub-section (5) of section 135 of the Companies Act, 2023, has not elapsed till the date of our report. Further the Company will ensure to transfer the said unspent amount in the funds as specified under Schedule VII of the Companies Act, 2013 within statutory timeline.

A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance. Decisions at the Board Meetings, as represented by the management were taken unanimously.

I further report that as represented by the Company and relied upon by me, there are reasonably adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As informed, the Company has reasonably responded to notices for demands, claims, penalties etc. levied by various statutory regulatory authorities and initiated actions for corrective measures, wherever necessary. There was no prosecution initiated and no fines paid except fine amount paid as mentioned above.

I further report that during the audit period, there are no specific events/actions having a major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standards, etc, referred to above except the following:

CORPORATE GOVERNANCE REPORT

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2024.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's philosophy on corporate governance is to conduct its business in a manner, which is ethical and transparent with all stakeholders in the Company, including shareholders, vendors, creditors and employees. The Company believes in adopting the 'best practices' that are followed in the area of Corporate Governance and has consistently endeavoured to practice good Corporate Governance.

To succeed, we believe it, requires highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. This is our road to consistent, competitive, profitable and responsible growth and creating long-term value for our shareholders, our people and our business partners. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come.

Our corporate governance framework ensures that we make timely disclosures and share accurate information regarding our financials and performance, as well as disclosures related to the leadership and governance of Ducon Infratechnologies Limited ('the Company'/'DIL'/'Ducon').

During the financial year under review, adequate monitoring systems were followed to safeguard against major risk and to ensure implementation of policies and procedures in order to fulfill the Company's social, legal and ethical responsibilities.

Ducon firmly believes that all its operations and actions must serve the underlying goal of long term value creation for its shareholders and its investors. The Company emphasizes the need for full transparency and accountability in all its transactions, in order to protect the interests of its stakeholders. The Company in its approach to adopt the best possible practices of Corporate Governance and keeping adherence to the latest rules and regulations prescribed by various regulatory authorities, has taken all the necessary steps to stay in line with the continuously progressing governance demands.

2. BOARD OF DIRECTORS

Ducon Governance structure broadly comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

The Board of your Company comprises highly experienced persons of repute, eminence and has a good and diverse mix of Executive and Non-Executive Directors with majority of the Board members comprising Independent Directors including Independent Women Directors. The Board composition is in conformity with the applicable provisions of Companies Act, 2013 (the Act) and Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) as amended from time to time. As on date of this Annual Report, the Board consists of Eight Directors comprising three Executive Directors, four Non- Executive Independent Directors including two female directors & one Non- Executive Non - Independent Director. The composition of the Board represents an optimal mix of professionalism, knowledge and experience and enables the Board to discharge its responsibilities and provide effective leadership to the business. The Board as part of its succession planning exercise, periodically reviews its composition to ensure that the same is closely aligned with the strategy and long- term needs of the Company.

BOARD MEETING AND PROCEDURES

The detailed Agenda, setting out the business to be transacted at the Meeting(s), is sent to each Director at least seven days before the date of the Board Meeting(s) and of the Committee Meeting(s) and in case of Board Meetings convened at shorter notice, decisions taken at such Board Meeting was circulated to all the Directors and the same was ratified by the Independent Director.

In some instances, documents are tabled at the meetings and the presentations are also made by the respective executives on the matters related to them at the Board or Committee Meetings. The information as mentioned in Part A of Schedule II of the Listing Regulations, has been placed before the Board for its consideration. The Directors are also provided the facility of video conferencing/any other audio visual means to enable them to participate effectively in the Meeting(s), as and when required.

Seven Board Meetings were held during the year 2023-2024. The Board Meetings were held through Video Conferencing mode or other audio/visual modes:

The dates on which the Board Meetings were held are as follows:

May 30, 2023, August 10, 2023, August 28, 2023, November 10, 2023, February 06, 2024, February 16, 2024 & February 27, 2024.

Two Circular Resolutions were passed during the financial year & the details of the same are as given below:

- ◆ Resignation of Mr. Sanajy Vasaikar, Additional Director (Non-Executive, Independent Director) of the Company with effect from April 20, 2023 and simultaneously from all the Committees of the Company which he was part of during his tenure.

17. VIGIL MECHANISM / WHISTLE BLOWER POLICY

In staying true to our values of Strength, Performance and Passion and in line with our vision of being one of the most respected companies in India, the Company is committed to the high standards of Corporate Governance and stakeholder responsibility.

Pursuant to Section 177 of the Companies Act, 2013 and under Regulation 22 of SEBI Listing Regulations, the Company has adopted Vigil Mechanism (Whistle Blower Policy) for the directors and employees of the Company to deal with instances of fraud and mismanagement, unethical behaviour, violation of code of conduct and personnel policies of the Company, if any and to ensure that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination will be meted out to any person for a genuinely raised concern.

The mechanism provides for adequate safeguards against victimization of Directors and employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases. No person has been denied access to the Chairman of Audit Committee for the same. This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations about a personal situation.

18. DISCLOSURES

a) Related Party Transactions:

There are no material related party transactions during the year that have conflict with the interest of the Company. Transactions entered into with related parties during the financial year were in the ordinary course of business and at arm's length basis and were approved by the Audit Committee. The Board's approved policy for related party transactions is uploaded on the website of the Company at <https://duconinfra.co.in/wp-content/uploads/2022/08/Policy-on-Related-Party-Transactions.pdf>

None of the Directors have any pecuniary relationships or transactions vis-a-vis the Company save and except the payment of sitting fees to Independent Directors. The details of the transactions with Related Party are provided in the notes to the Financial Statements.

b) Disclosure of Accounting Treatment:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Section 133 of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historic cost convention. INDEPENDENT AUDITOR'S REPORT

To,
The Members of Ducon Infratechnologies Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Ducon Infratechnologies Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the statement of Profit and Loss, statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 in the manner so required, and give a true and fair view, in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements as per the ICAI's Code of Ethics and the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

- i) The Company has made investments in equity shares of a private limited company aggregating to Rs. 500.00 lakhs as on March 31, 2024 reported under Investments in Non-Current Assets. The investments are to be measured at fair value in the statement of financial position as per requirements of Indian Accounting Standard 109. However, management is of the opinion, keeping in view their long term business synergy and potential, it has been decided to value such investments at cost for the year ended March 31, 2024.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- 1) Evaluation of uncertain tax liabilities (Contingent Liabilities). Refer Note No.22.1 forming part of financial statements. Considering its probable impact on profit / loss, we have considered this as Key Audit Matter.

We have performed following substantive audit procedures:-

- (a) Obtained details of completed tax assessments and demands up to the year ended March 31, 2024 from management.
- (b) We performed our internal procedures to analyse the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes.
- (c) We also legal precedence, referred to various case laws and other rulings in evaluating management's position on these uncertain tax litigations.
- (d) Additionally, we considered the impact of latest information in respect of uncertain tax positions as on March 31, 2024 to evaluate whether any change was required to management's position on these uncertainties.

Information other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report including Annexures to Directors' Report and Secretarial Audit Report, but does not include the financial statements and our auditor's report thereon. The Directors Report and Secretarial Audit Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors Report and Secretarial Audit Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 22.1 to the Standalone Financial Statements.
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (1) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries : and
- (2) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (3) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- vi. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

- (c) In our opinion and according to the information and explanation given to us, the Company has utilized the money obtained by way of term loans for the purposes for which they were obtained.
- (d) On an overall examination of the financial statements of the Company, prima facie, no funds raised on short-term basis have been used for long term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. Further the company does not have any associate or joint venture.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary. Further the company does not have any associate or joint venture.
- x) (a) According to the information and explanations given to us and as per the books and records examined by us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments). Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and as per the books and records examined by us, during the year, the Company has not made preferential allotment or private placement of shares during the year, therefore the requirements of section 42 and section 62 of the Companies Act, 2013 were not required to be complied by the Company.
- xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.

- xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company; hence Clause (xii) of paragraph 3 of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) (a) The Company has not transferred the amount remaining unspent in respect of other than ongoing projects to the Fund specified in Schedule VII of the Companies Act, 2013 till the date of our report. However, the time period for such transfer i.e. six month of the expiry of the financial year as permitted under the second proviso to sub-section (5) of section 135 of the Act, has not elapsed till the date of our report.
(b) In respect of ongoing projects, the Company has not transferred unspent amount to a special account, within a period of 30 days from the end of the financial year in compliance with section 135(6) of the said Act, the details of which are as follows:-
- | Financial Year | Amount unspent on CSR activities for "Ongoing Projects" | Amount transferred to Special Account within 30 days from the end of Financial Year | Amount transferred after the due date |
|----------------|---|---|---------------------------------------|
| 2023-2024 | 4.71 Lakhs | - | - |
- xxi) There are no qualifications or adverse remarks reported by the auditor of the Subsidiary Company, therefore the clause (xxi) of the Order is not applicable.

“Annexure B” forming part of Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Ducon Infratechnologies Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Standalone Notes to Financial Statements for the year ended 31st March 2024**Note 1: Significant Accounting Policies****1. Basis of preparation**

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India and comply with Indian Accounting Standards (Ind AS). The company has prepared these financial statements to comply in all material respects in accordance with the Accounting Standards notified under the Companies Act, 2013 ("the Act") and in accordance with the accounting principles generally accepted in India. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

2. Summary of significant accounting policies**a. Use of estimates**

The preparation of financial statements in conformity with Ind-AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Gains or losses arising from sale of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is sold.

c. Depreciation on tangible fixed assets

Depreciation on Fixed Assets is being provided on Straight Line Method on "Useful Life" in the manner prescribed under the Schedule II of the Companies Act, 2013.

d. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange difference arising from currency borrowings to the extent they are regarded as an adjustment to the interest cost.

e. Impairment of tangible and intangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

f. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investment.

Current investments are carried in the financial statement at lower of cost and fair value determined on an individual investment basis. Long-term investment is carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

g. Financial Assets:**i. Financial Assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to

the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

D. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

The Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii. Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

There is no significant impact on valuation of Financial Assets at fair value through comprehensive income and hence not profit or loss on such valuation booked.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

There is no significant impact on valuation of Financial Assets at fair value through comprehensive income and hence not profit or loss on such valuation booked.

h. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

i. Sale of goods

Revenue from sale of goods is recognized when all the risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods and performance of services to customers. If company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

j. Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

k. Dividends

Dividend income is recognized with the company's right to receive dividend is established by the reporting date.

l. Foreign currency translation**Foreign currency transaction and balances****Initial recognition**

Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

The company accounts for exchange difference arising on translation/settlement of foreign currency monetary items as below:

Exchange difference arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalized and depreciated over the remaining useful life of the asset.

All other exchange differences are recognized as income or as expenses in the period in which they arise.

m. Retirement and other employee benefits

Retirement benefit in the form of provident fund, Employee State Insurance Contribution and Labour Welfare Fund are defined contribution scheme. The contribution to the above is charged to the statement of profit and loss for the year when the contributions are due.

The company operates defined benefit plan for its employee, viz., gratuity. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Contribution towards gratuity fund for eligible employees is made by way of premium to Life Insurance Corporation of India and charged to the statement of profit and loss. Actuarial gains and losses, (if any) for the defined plan are recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that is expected to pay as a result of the unused entitlement that has accumulated at the reporting date.

The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

Expenses incurred towards voluntary retirement scheme are charged to the statement of profit and loss immediately.

n. Income taxes

Tax expenses comprise current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted by the reporting date. Deferred income tax relating to items recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where the company has unabsorbed or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognized unrecognized deferred asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

o. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

p. Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

q. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statement.

Independent Auditor's Report

To the Members of Ducon Infratechnologies Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Ducon Infratechnologies Limited ("the Company"), its Subsidiary (the Company and its Subsidiary together referred to as "Group") which comprise the consolidated Balance Sheet as at March 31, 2024, the consolidated statement of Profit and Loss, Changes in Equity and the Consolidated Cash Flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, of consolidated profit, consolidated total Comprehensive Income, consolidated Changes in Equity and its consolidated Cash Flows for the year on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matters

- i) The Company has made investments in equity shares of a private limited company aggregating to Rs. 500.00 lakhs as on March 31, 2024 reported under Investments in Non-Current Assets. The investments are to be measured at fair value in the statement of financial position as per requirements of Indian Accounting Standard 109. However, management is of the opinion, keeping in view their long term business synergy and potential, it has been decided to value such investments at cost for the year ended March 31, 2024.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

- 1) Evaluation of uncertain tax liabilities (Contingent Liabilities). Refer Note No.22.1 forming part of financial statements. Considering its probable impact on profit / loss, we have considered this as Key Audit Matter.

We have performed following substantive audit procedures:-

- (a) Obtained details of completed tax assessments and demands up to the year ended March 31, 2024 from management.
- (b) We performed our internal procedures to analyse the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes.
- (c) We also legal precedence, referred to various case laws and other rulings in evaluating management's position on these uncertain tax litigations.

- (d) Additionally, we considered the impact of latest information in respect of uncertain tax positions as on March 31, 2024 to evaluate whether any change was required to management's position on these uncertainties.

Information Other than the Financial Statements and Auditor's Report Thereon

The Group Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit Report, Consolidated financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Sec 134(5) of companies Act 2013 with respect to the presentation and of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

The responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of the Group.

Auditors Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements includes the audited financial statements / financial information in respect of 1 subsidiary namely Ducon Combustion Equipment Inc. (Subsidiary) located outside India, whose financial statements include Total Assets of Rs. 1,049.41 Lakhs as at 31st March, 2024, and total revenue from operations of Rs. 10,389.43 Lakhs for the year ended on that date. These financial statements of the subsidiary company has been audited by the other auditor of that company and which is prepared in accordance with accounting principles generally accepted in their respective country and has been provided to us by the management. The Holding Company's management has converted the financial statements of such subsidiary from accounting principles generally accepted in their respective country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion, in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based on the audit report of other auditor and the conversion adjustments made by the management of the Holding Company and audited by us.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial Ind AS financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, (including other comprehensive income) the consolidated Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in **Annexure "A"**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There was no amount required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiaries during the year ended March 31, 2024.
 - iv. (1) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries : and
(2) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- v. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- vi. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

“Annexure A” forming part of Independent Auditor's Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).**

We have audited the internal financial controls over financial reporting of Ducon Infratechnologies Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the

internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Consolidated Notes to Financial Statements for the year ended 31st March 2024

Note 1: Significant Accounting Policies

1. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India and comply with Indian Accounting Standards (Ind AS). The company has prepared these financial statements to comply in all material respects in accordance with the Accounting Standards notified under the Companies Act, 2013 ("the Act") and in accordance with the accounting principles generally accepted in India. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

2. Summary of significant accounting policies

a. Use of estimates

The preparation of financial statements in conformity with Ind-AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Gains or losses arising from sale of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is sold.

c. Depreciation on tangible fixed assets

Depreciation on Fixed Assets is being provided on Straight Line Method on "Useful Life" in the manner prescribed under the Schedule II of the Companies Act, 2013.

d. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange difference arising from currency borrowings to the extent they are regarded as an adjustment to the interest cost.

e. Impairment of tangible and intangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

f. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investment.

Current investments are carried in the financial statement at lower of cost and fair value determined on an individual investment basis. Long-term investment is carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investment.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

g. Financial Assets:**i. Financial Assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement**a) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

D. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

The Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii. Financial liabilities**A. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

There is no significant impact on valuation of Financial Assets at fair value through comprehensive income and hence not profit or loss on such valuation booked.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables

maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

There is no significant impact on valuation of Financial Assets at fair value through comprehensive income and hence not profit or loss on such valuation booked.

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods and performance of services to customers. If company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Dividend income is recognized with the company's right to receive dividend is established by the reporting date.

h. Foreign currency translation

Foreign currency transaction and balances

Initial recognition

Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

The company accounts for exchange difference arising on translation/settlement of foreign currency monetary items as below:

Exchange difference arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalized and depreciated over the remaining useful life of the asset.

All other exchange differences are recognized as income or as expenses in the period in which they arise.

i. Retirement and other employee benefits

Retirement benefit in the form of provident fund, Employee State Insurance Contribution and Labour Welfare Fund are defined contribution scheme. The contribution to the above is charged to the statement of profit and loss for the year when the contributions are due.

The company operates defined benefit plan for its employee, viz., gratuity. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Contribution towards gratuity fund for eligible employees is made by way of premium to Life Insurance Corporation of India and charged to the statement of profit and loss. Actuarial gains and losses, (if any) for the defined plan are recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short – term employee benefit. The company measures the expected cost of such absences as the additional amount that is except to pay as a result of the unused entitlement that has accumulated at the reporting date.

The company treats accumulated leave excepted to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The company presents the entire leave as a current liability in the balance sheet, since it does not have an

unconditional right to defer its settlement for 12 months after the reporting date.

Expenses incurred towards voluntary retirement scheme are charged to the statement of profit and loss immediately.

j. Income taxes

Tax expenses comprise current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted by the reporting date. Deferred income tax relating to items recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where the company has unabsorbed or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognized unrecognized deferred asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

i. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

m. Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statement.
